

**ALBERTA TEXTILE CARE
ASSOCIATION**

The next
**ATCA ZOOM TOWN HALL
MEETING**

will take place on
**THURSDAY, 10TH JUNE
AT 2.00 PM**

when our guest presenter will be well known to most
attendees:

**KEVIN MAROIS OF INTEGRITY
MECHANICAL INC**

Kevin, as someone out and about amongst the industry, will discuss what he has seen of changes to our industry brought about by the pandemic; some ideas for generating new business; what new equipment is available to meet some of the challenges and how to dispose of old equipment.

But, don't forget, the purpose of these meetings is for all registrants to have an opportunity for discussion, they are after all Town Hall meetings, so please come prepared.

On this occasion, we are opening the meeting to all drycleaners in Alberta, British Columbia, Saskatchewan and Manitoba but, to join the meeting, we need prior registration so that we can send a Zoom link. To do this, please e-mail the Association on abtca@shaw.ca as soon as possible.

This event is an opportunity to discuss important issues with your counterparts in the Association. Please encourage as many of your friends in the industry to participate.
